

EXHIBITOR PROSPECTUS

The Virtual Exhibit Hall will be a fully customizable site to draw attention to your company and offerings. The Whova platform is easy to setup and attendees will be able to interact with you through both desktop and mobile app. Reserve your booth today and upload your information so as presenters and others access the platform, your organization is at the center of all the action.

Benefits of Exhibiting Include:

- Market your product and services to hundreds of attendees focused on municipal and industrial ozone applications
- Benefit from increased traffic through engaging features like gamification
- Generate publicity with your company listing in the Conference Program, Conference website, and email correspondence with IOA members
- Customizable online booths
- Upload a video or utilize a live showcase to enhance engagement
- Live video chat and 1 on 1 messaging
- Load two brochures and product photos

Conference Schedule for 2021:

- Monday, August 30, live Opening Session
- 8 live sessions on week 1 and continued interaction over the next two weeks when attendees access recorded sessions
- Five 30 minute Exhibitor Showcases between live presentations and roundtable discussions
