## YEAR ROUND SPONSORSHIPS

The International Ozone Association Pan American Group (IOA PAG) is striving to increase its membership and to better serve them. And as part of this drive, beginning January 2020, the IOA PAG will be offering Year Round Sponsorships.

Sponsors will be supporting the IOA PAG, a nonprofit educational and scientific organization dedicated to technologies related to all aspects of ozone and related oxygen species. But in addition, the IOA PAG Year Round Sponsors will reap significant marketing opportunities—at the yearly IOA PAG conference and via promotional opportunities throughout the year.

Platinum, Gold, Silver and Bronze Level Sponsorships will be available with various benefits. The cost for each Sponsorship level is significantly less than the estimated benefits received. See the chart on the next page for benefit details.

When the IOA World Congress Conference is held on IOA PAG territory, the IOA PAG does not hold a separate conference. Therefore, during those years the IOA PAG Conference benefits earned by being a Year Round Sponsor, will be made available at the IOA World Congress—an added bonus.

The IOA PAG Year Round Sponsorships will renew on an annual basis. In the inaugural year, those that sign-up early to become 2020 Sponsors, will be listed on the IOA PAG website and newsletters promptly... don't miss out! Your Year Round Sponsorship participation enables you to support a worthy organization AND obtain great promotional opportunities for your company. Sign up today!
